Marinich Builders is a family owned and operated, multi-generational remodeling company serving Onondaga County since it was founded by **Bill Marinich** in 1974. Currently operated by **Kirk Marinich, CGR**, Marinich Builders specializes in design-build complete custom kitchen, bath, and basement renovations.

At **Marinich Builders**, we believe that our clients should be able to visualize their improvement prior to making an investment in a remodeling firm. We take the time to get to know you and your home to develop thoughtful solutions based on your needs and budget. Our mission is to exceed our client's expectations and create raving fans. We take pride in our professionalism, workmanship and accountability by staying informed of the most current, highest quality, and most reliable products on the market.

Marinich Builders is located at 1123 N. State St in Syracuse and can be reached by calling 315-422-1132. Visit our website at www.marinichbuilders.com for more information and pictures of our completed projects.
