Global Payments

John Wunder

Global Payments (NYSE: GPN) helps businesses around the world enable commerce and provide exceptional experiences to their customers. Our payment technology and software solutions enable merchants and developers to deliver seamless customer experiences, run smarter operations and adapt quickly to change. Because if it has anything to do with commerce, we are already on it.

Global Payments is the point of sale, payments and technology solution of choice for entrepreneurs that need human-centered technology to sell more, keep customers coming back and spend less time in the back office. Nearly 1,000,000 businesses trust us to guide them through market changes and technology challenges, so they can stay competitive and focus on building remarkable businesses instead of managing the daily grind.
