With over 1,000 varieties of wine and champagne sourced from around the globe, our selection is catered to anyone's tastes. Our liquor collection includes hundreds of whiskeys, bourbons, scotches, tequilas, gins, brandies, rums, and more.

Looking for ready-to-drink canned cocktails? We've got one of the largest selections around—complete with a dedicated cooler for grab-and-go convenience. Plus, an additional 12-foot cooler features top-selling wines and champagnes, chilled and ready for any occasion.

To better serve our loyal customers and growing business, we renovated our store in July 2017 and again in 2022. Conveniently located in the Tops Supermarkets Plaza, Peter's Skytop Liquors is just steps away from Syracuse University's South Campus.
